If you have **less than 3 years'** accounts, or, if you base your income on a **day rate**

"I have recently bought a house and the initial process of finding a mortgage was very stressful, with lenders questioning every little detail. I was passed through to DFP by my personal accountant, and throughout the whole process I've had no stress.

Danbro were able to arrange a very good 5 year fixed rate, buy-to-let mortgage, with Skipton Building Society. This was all done by Liam and his team, all I needed to do was read and sign a few forms. I would recommend Danbro as financial advisors and would definitely recommend their mortgage service."
